SANSUI INTERNATIONAL WARRANTY

SANSUI ELECTRIC CO., LTD., warrants all Sansui products purchased through Overseas Military Exchanges and Audio clubs against defects in materials and workmanship for the period (s) enumerated under "Terms of Warranty" from the original purchase date. Provided that the holder is no longer authorized Overseas Military Exchange privileges and that the holder bears all costs for insuring the safe delivery and return of his equipment to and from an authorized Sansui service station, repairs and parts replacement will be made without charge anywhere in the world, subject to the following exceptions:

1. Personnel still on active duty overseas with access to Sansui repair service through Military Exchanges and Audio Clubs. In this case, service and repairs must be made through these facilities with the holder responsible for all costs incurred in insuring the safe return and delivery of his equipment to the nearest military service facility.
2. Failure to present both sales slip (or a Warranty Certificate issued by Sansui.) and this Warranty card.
3. Breakdowns or damage due to careless handling, negligence, accidents, abuse or failure to follow operating instructions furnished by Sansui.
4. Breakdowns caused by other appliances.
5. Breakdowns or damage due to natural disasters, acts of war or public disturbances.
6. Repairs, alignments, alterations or tampering with the product by individuals or service stations other than those specifically designated by Sansui in the accompanying list of International Authorized Service Stations.
7. Breakdowns or damage due to packaging and shipment in containers other than those provided or designated by Sansui.
8. Equipment with serial numbers altered or removed.

Products to which the above exceptions apply will be serviced at cost to the owner.

(Products purchased through facilities other than Overseas Military Exchanges may not be accepted for servicing by those exchanges.)
